**BIG BROTHERS BIG SISTERS OF BUCKS COUNTY
WELCOMES A NEW BOARD MEMBER!**

Jamison, PA (October 12, 2017) – Big Brothers Big Sisters of Bucks County (BBBSBC) is pleased to announce that Tania Turner of Otsuka America Pharmaceuticals has joined the Board of Directors at Big Brothers Big Sisters of Bucks County. Mrs. Turner resides with her husband and two teenage children in Holland, Pa. She has been involved with BBBSBC as a Big Sister mentor for over 10 years. Her Little Sister, Beionka, will be graduating from college in May.

“Without Tania, I really don’t know where I would be in life,” says Beionka. “She has helped me get through every obstacle in my path...She is my inspiration for following my dreams, and reaching my goals. She’s my motivation for going to school and getting my degree.”

Tania Turner has over 20 years of diverse corporate leadership expertise with an exceptional record of achievement. Previously a regional director, she is currently the Global Marketing Lead for Otsuka America Pharmaceuticals, Inc., a billion dollar brand. Her experience in the pharmaceutical industry is extensive, and ranges across sales and sales management, marketing,

leadership development, sales training, sales operations and managed markets. She is a hands-on, take-charge “collaborative” leader who relentlessly pursues creative solutions to the challenges found in constantly shifting business environments.

“After our mother died, my brother, sister and I grew up living with our extended family in Harlem, New York City,” Tania Turner explained. “As a vulnerable teenager living in tough neighborhood, I was lucky enough to find mentors who took me under their wings, guided me and encouraged me. They let me know I could achieve my dreams, if I worked hard enough. These mentors were the support I needed to spread my wings and fly. Now I want to do my part to ensure others have the support network they need to be successful.”

“We are excited to have Tania Turner join our Board of Directors,” said Ursula Raczak, CEO. “Her leadership experience in the pharmaceutical industry, along with her years of dedication as a Big Sister in our community program, make her a wonderful addition to our Board.”

Big Brothers Big Sisters of Bucks County has been providing one to one mentoring programs to children in Bucks County for over 50 years.
